Substitute Amended Sequence Listing

The substitute amended sequence listing is identical to the substitute sequence listing filed December 18, 2002 except that the names of inventors Vogelstein and White have been added, the title has been corrected, and the priority documents have been disclosed.

A new computer disk containing the substitute amended sequence listing in ASCII accompanies this amendment. The paper copy of the substitute amended sequence listing and the contents of the new computer disk are identical in substance.

Supplemental Reissue Declaration

A supplemental reissue declaration executed by Dr. Hedge accompanies this amendment.

Respectfully submitted,
